

▶ Sunday,
February 5th

The Super Bowl takes place on Sunday, Feb 5th, & approximately 100 million Americans are expected to tune in to watch. As those millions are enjoying abundant food & friendship while hosting or attending gatherings, approximately 1 billion people will be hungry. The ***Souper Bowl of Caring*** is an ecumenical, youth-led movement that promotes opportunities to fight hunger by raising funds, collecting canned goods & participating in service projects. Grace is participating by raising money for ELCA World Hunger & donating can goods to Salt Mine. You can help by praying about a donation of money or canned/dry goods or both. Plan to donate on Sunday, Feb 5th, here at Grace.
