

This year, we at Grace, have another option for contributing to the work of Grace. We now have an eScrip account. Our eScrip Group ID is **500029740** / Name is “**Grace Lutheran Church – Lincoln CA**”

If you are familiar with eScrip, you know that you can buy things with your registered Safeway card, debit card, or credit card and receive a small percentage (2-5% depending on store) to your designated group.

You can set up an account at [www.escrip.com](http://www.escrip.com), select your designated group, register your Safeway, debit, and/or credit cards & start contributing.

There are only a few stores in Northern California that offer eScrip; however, there are hundreds of participating stores if you shop online. Some online examples are Ace Hardware=4.2%, Amazon=2.4%, Nordstrom=6%, 1-800-FLOWERS=10.2%, Restaurant.com=16.8%, & many more.

For those of you not familiar with eScrip, it is used by schools & non-profits as a way to receive contributions while we purchase everyday items. Each participating store, determines what percentage they will give to the eScrip program. You purchase items from the store using your registered store card (in the case of Safeway) or pay with your registered debit or credit card and Grace will receive money. You don't pay any more than you normally would, but you give a small contribution to Grace at the same time.
